HOW TO MEASURE YOUR BODY

A. Across Shoulders

Measure straight across from shoulder point to shoulder point

B. Bust

With arms down at your sides, measure around the fullest part of your bust, underneath your arms.

C. Waist

Bend at one side to find the natural crease or the narrowest part of your waist. Wrap the tape measure around this crease and bring the ends together.

E. Hip

Keep your feet shoulder width apart and measure at the fullest part of hips.

F. Inseam

Measure from the uppermost part of your thigh to your ankle.
